

Pointed Paragraphs.

Time is stage money, to the husky hobo.

He who hopes for the best seldom expects it.

Marriage is always a serious step—or a more serious misstep.

Most married men find it easier to be bossed than to be boss.

Most of the so-called original ideas have been on the toboggan for centuries.

Every time a man makes love to his wife he makes a profitable investment.

But the only way to find out what a woman really thinks of you is to marry her.

If there is any one a spinster really hates it is a woman who has had three husbands.

The man who tries to kill two birds with one stone is lucky if he doesn't lose the stone.

Many a man who never beat a street-car company out of a nickel wouldn't hesitate to rob a bank.

Value of a Good Name.

Nothing but a signature—a plain name written in a plain business hand—but what a world of fine things it stands for: Honor, integrity, justice, intellect, power and manhood in its highest manifestation, clean and strong. Who would dare disparagingly contrast such a name with one which embodies greed, oppressing, selfishness, although half hidden from view by the glitter of gold and the spectacular display of riches? "A good name is rather to be chosen than great riches," says the Wise Man, and choice implies freedom of possession. We may all have a name that, though written on perishable paper, can never be destroyed, because the qualities it stands for are reflected from the everlasting.

Don't Neglect It

It is a serious mistake to neglect a weak heart. It is such a short step to chronic heart disease. When you notice irregularity of action, occasional short breath, palpitation, fluttering, pain in chest or difficulty in lying on left side, your heart needs help—a strengthening tonic. There is no better remedy than Dr. Miles' Heart Cure. Its strengthening influence is felt almost at once.

"I have used 10 bottles of Dr. Miles' Heart Cure and can truthfully say it has done me more good than anything I have ever used, and I have tried nearly everything that I know of. The doctor who attended me asked me what I was taking and I told him Dr. Miles' Heart Cure, he said it was not going to do me any good, but it did. I have not taken any for a year now, and while there is occasionally a slight symptom of the old trouble, it is not enough for me to continue the use of the medicine. If I should get worse I would know what to do. Take Dr. Miles' Heart Cure as I did before. I consider myself practically cured of my heart trouble."

S. E. DUNNAGE, Livingston, Texas.
